What is Ronaldo's Net Worth and Salary?

Ronaldo is a retired Brazilian football player who has a net worth of R\$160 million. Also known as "R9" or "O Fenômeno" (The Phenomenon), Ronaldo made a massive impact (and a massive amount of money) on the game of football despite a relatively short time in the spotlight. He was a goalscoring machine who led Brazil to a memorable World Cup title in 2002. He is also credited with reinventing the way strikers play football. At his peak, Ronaldo was considered the best player in the world. He is currently considered one of the best players of all time.

He won the FIFA World Player of the Year award three times, and he has received the Balon d'Or award twice. To this day, he is the youngest ever player to receive the Balon d'Or, having first won it at the age of 21. He was also the youngest person to ever win the FIFA World Player of the Year award at age 20. Professional clubs were willing to pay exorbitant sums to have Ronaldo on their teams, and he twice broke the world record signing fee.

In terms of goal-scoring ability, he is one of the highest-scoring players of all time. He scored 62 goals for Brazil, and only Pele has scored more for his country. At age 23, he had scored 200 goals for club and country. However, Ronaldo's career faded abruptly with a sudden onset of serious injuries. In what seemed like a blink of an eye, Ronaldo disappeared from the game of football as quickly as he had appeared.

After leaving the game, Ronaldo became closely involved with philanthropic work, becoming a United Nations Development Programme Goodwill Ambassador. He also served as an ambassador for the 2014 FIFA World Cup. In 2024, Ronaldo purchased a team in the Spanish La Liga called Real Valladolid, and in 2024, a controlling stake in Cruzeiro.
